† Add another co-author
Author can add the Funder details. Funder can be the affiliated institute or a different one. In this case Milliman, United States is the Funder.
Based on the affiliation details, the author sees the Publishing Options. Gold OA option is preselected and we make it clear that the APC is covered as part of the agreement.

If the librarian at the institution rejects the author request in the Elsevier Portal, we also make it clear that the authors will receive a full price invoice.
In case of OA, author selects the CC License
