Short status report

If you are still within the funding period of the PhD, what do you think of the progression of the project?

- | | |
|---|---|
| <input type="checkbox"/> Well ahead of schedule | <input type="checkbox"/> Slightly behind schedule |
| <input type="checkbox"/> Slightly ahead of schedule | <input type="checkbox"/> Quite delayed |
| <input type="checkbox"/> On schedule | <input type="checkbox"/> Very delayed |

Reasoning for the assessment of the progression:

If your funding period has expired, please detail your plan for completing the thesis:

Have you completed your compulsory coursework?

Yes Yes, but I haven't sent in documentation for some external courses (please enclose) No

If not, please detail your plan for completing the coursework:

Research stays abroad of more than four weeks in the last year (where and when):

Is the cooperation with your supervisor(s) satisfactory? Yes No Somewhat
Comments concerning the supervision:

Other comments:

If you want the research section at the Faculty to get in touch with you, please let us know here. We will get in touch regardless if there is information in the form that indicates that we should, but if you say so here, we will prioritize you and get in touch regardless of the information in the form.

Yes, I want the research section to get in touch with me
