

Declaration on submission of doctoral thesis

PhD regulations § 13.1:

- 1) Statement specifying that the doctoral thesis has not been submitted for assessment at another institution.

I hereby declare that the doctoral thesis has not been submitted at another institution.

- 2) Statement specifying whether the doctoral thesis is being submitted for assessment for the first or second time.

The doctoral thesis is submitted for assessment for the first time.

The doctoral thesis is submitted for assessment for the second time.

PhD regulations § 10.2:

- 3) Work that may not be submitted re. PhD regulations § 10.2.

Work or parts of a work that has been approved as the basis for previous examinations or degrees may not be submitted for assessment. However, data, analyses or methods from previous degrees may be used as the basis for work in the PhD project. Published papers cannot be approved as part of the PhD thesis if there is more than five (5) years from the date of publication to the date of the candidate's admission. The Faculty may grant exemptions from this requirement if this is warranted by special circumstances.

Supplementary guidelines at the Faculty of Medicine

The provisions of § 10.2 should not prevent articles or manuscripts prepared jointly by several candidates to be included as part of thesis for several doctoral theses, provided that the individual candidate's contribution is documented.
